This year marks the 5th Annual David's Drive event and we would not be here without the commitment of the CoBI's Board of Directors, a dedicated group of volunteers, and all of you who have supported this wonderful event. Thank You!!!!

CoBI, through David's Drive and other key events has become a strong organization that is accomplishing its mission to help individuals and families who have been impacted by brain injury. CoBI is also a resource for professionals who want to help those impacted by brain injury find new meaning and purpose in their lives.

We could not do this important work without **YOU** and I hope you visit our website regularly to learn how your support is helping others. I look forward to seeing you again in 2012!!

Joanne Finegan
